*****.Test anxiety is a common experience. Even when you know the material, sitting down to take a test can make you feel like you don t know anything at all. There s a very simple reason for this-tests are written in their own unique language. Basically, you re being asked to recall what you know in a language that is foreign to you. But what if you could break the code and finally approach tests with the same confidence you feel in the classroom? This 35 page test-prep guide teaches you how to naturally acquire test language and offers easy-to-understand strategies that you can apply to any standardized test you have to tackle. So, while Essential Strategies for Success on the ISEE is written particularly to help middle school students pass their exams for entrance into independent and private schools, its concepts are universally applicable. Most test-taking manuals are filled with practice questions and skill drills, but this streamlined text focuses on teaching students how to test. This approach builds up test-taking confidence, thus reducing...
