ACC. 1 Cloth(s), 2010. hard. Book Condition: New. In 1950 Mabel Julianelli and her husband Charles won the Coty Award for Mabel's naked evening sandal, a shoe barely more than a thin sole and a heel and a brilliantly constructed web of straps, designed at a time when no one would dream of wearing sandals as evening wear. This tribute by their daughter, freelance fashion journalist Jane Julianelli, describes and pictures the fabulous shoes that Mabel designed and Charles engineered, as well as their long-lasting impact (both the shoes and the Julianellis) on the fashion world. She also gives us a singularly touching portrait of the remarkable marriage of creativity and love between her parents."Do not miss the opportunity to revel in this story that reveals part of what made the fashion business a powerhouse in New York City. This love story on so many levels would be a great and thoughtful gift to anyone involved in the fashion business or even just someone who believes in happy endings."NYJournal of Books 239.
