Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CONVERSATIONS WITH SAMUEL R. DELANY (PAPERBACK)

University Press of Mississippi, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. A key figure in modern science fiction and fantasy, Samuel R. Delany (b. 1942) is also one of the most acclaimed figures in contemporary literary theory and gay/lesbian literature. As a gay African American writer, Delany s cerebral, experimental prose crosses lines of genre, gender, sexuality, and class. Several of his works--Dhalgren, The Einstein Intersection, Babel-17, Stars in My Pocket like Grains of Sand, and the Neveryon quartet are considered landmarks of new wave science fiction. His essays and critical works approach a wide variety of subjects from a perspective that is both resolutely philosophical and deeply provocative. Conversations with Samuel R. Delany collects interviews with the writer from 1980 to 2007. Delany considers the interview an especially fruitful form for the generation of ideas, and he has made it an integral part of his own work. In fact, two of his critical works are collections of interviews and correspondence. He insists that all interviews with him be written correspondence so that he is allowed the time and space to deliberate on each response. As a result, the conversations presented here are as rigorously constructed, elusive, and intellectually stimulating as his essays.
