Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Circumstances Limiting its Application, xi. Probable Effects upon tho Working-classes. xn. Concluding Remarks. It was with great pleasure that I undertook to prepare tho present lecture, because I have become more and more convinced of the extreme importance of the Industrial Partnership principle to the peace and well-being of the kingdom. The seeming novelty of the proposition, that workmen should become sharers in their master s profits, causes many persons to stigmatise the idea as impracticable, unsound, and opposed to experience. But I believe that the unsoundness is all in the present state of things, and that experience is not against the novelty but in its favour. For can any one truly say that experience is in favour of the present relations of capital and labour? Does not A lecture delivered under the auspices of the National Association for the Promotion of Social Science, April 5th, 1870. every one feel that there is an evil at work which needs a remedy? Does not the constant occurrence of strikes, and the rise of vast and powerful organisations of workmen, show that there is some profound unfitness in the...
