INNER AWAKENING.ASCENDING TO HIGHER DIMENSIONS VOL. 1: SEEKING THE UNKNOWN (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. If you know what it s like to rise from the ashes, then you know what second chances mean. The 5-part series on Inner Awakening is based on the Author s own spiritual experiences. She has tried her best to decode the knowledge that descended on her, during her own Inner Awakening. What she experienced many years ago was like a Shamanic death. She died without actually leaving her body. It was her second chance - a chance to connect with the source without having to abandon her vessel. This book addresses some of the basic questions that most seekers struggle with, on their journey to self realization. The Inner Awakening series will change your perspective on life. You will see things the way they actually are, rather than making unfounded assumptions about your existence, and everything else around you, in this realm.
