Brand New Book ***** Print on Demand *****.Excerpt from preface: The possible purchaser is hereby warned that it is different from any other book he ever read. It is without plot, moral, historical value, mystery, romance, horrors and murderous scenes. The best excuse to be offered for its existence is the fact that the author s numerous friends have repeatedly urged him to print what they call an interesting and unusual series of incidents. The responsibility for any injury to the public must rest upon the heads of these friends, the author not holding himself accountable for anything except the truth of the narration. My friends being pleased with this publication, it may be safe for others to try it, but they must not blame me for any lack of appreciation. Trusting that this warning will prevent the unsuspecting from buying the book solely on account of the author s literary reputation, the result is awaited with fear and trembling. S. A. SWIGGETT. March, 1895.
