To download **Principles of Construction Safety (New edition)** eBook, remember to follow the web link below and download the file or gain access to other information which are have conjunction with **PRINCIPLES OF CONSTRUCTION SAFETY (NEW EDITION)** ebook.

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Principles of Construction Safety (New edition), Allan St. John Holt, The construction industry has not had a good record on health and safety and faces tough legal and financial penalties for breaches of the law. This book provides a unique resource for all those who construct or procure the construction of projects of all sizes and in all countries and for clients who need to keep abreast of their own and their contractors' responsibilities. It gives practical guidance on best practice, including: measuring performance and recording information, developing a safety policy and method statements, assessing risk training and understanding people, and the basics of the construction/environment interface. The book addresses several topics not found in other reference works, discussing techniques of health and safety and basic environmental management as applied to the industry. It uniquely provides 50 quick reference guides setting out solutions to common problems. These include falls, manual and mechanical handling, work with asbestos and noise. It also summarises the main UK legal requirements on construction safety and health and includes a number of useful checklists and model forms. Written by a very experienced health and safety practitioner, who is also author of the highly successful IOSH book "Principles of Health and Safety at Work", this book will be welcomed by all responsible for health and safety. It will also provide an excellent text for the NEBOSH (National Examination Board in Occupational Safety and Health) Construction Safety and Health national certificate. The author Allan St John Holt has twice been elected to the Presidency of the UK's professional body, the Institution of Occupational Safety and Health. He is a Fellow of the Institution and a Registered Safety Practitioner. An internationally-known lecturer and writer on safety management and other topics,...
