Combined with restless, idle youth and the desire for easy money, something has been released out there amid the darkness, the howling wind, and lashing rain. Dead Light is an adventure scenario for the Call of Cthulhu roleplaying system designed to be played in one or more gaming sessions. An exercise in Lovecraftian-flavored survival horror, the unwitting investigators are caught up in a spiral of terror where only their quick thinking, and courage, will see them through till the clouds clear and a new dawn beckons. Suitable as a stand-alone adventure or as a sidetrack within a larger campaign, Dead Light is set in Lovecraft Country, north of Arkham, during the early 1920s and is ideal for groups of between three to six players. This is one journey your players will not soon forget.
