

The Technical Analysis of Brass, and Non-Ferrous Alloys (Classic Reprint) (Paperback)

By William B Price

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Technical Analysis of Brass, and Non-Ferrous Alloys At the time the first edition of this book was brought out the chemist or metallurgist who wished to find accurate and quick methods for the analysis of the non-ferrous alloys was obliged to look for the various methods as well as the description of special apparatus in the transactions of societies, scientific journals and works on general analytical chemistry, in which the different methods were widely distributed. So far as we are aware this was the first time that any chemists or metallurgists had made an attempt to bring together in one volume a complete treatment of this subject and it was our hope that this little book would take a place in nonferrous chemistry and metallurgy corresponding to the place occupied by Blair s Chemical Analysis of Iron, in the ferrous metals. In preparing the second edition of our book considerable of the text has been rewritten and many changes made, based on the helpful criticisms of the first edition and an effort has been...
