Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Michael Rectenwald s new collection of poems, *Breach*, offers a powerful and yet humble vision of the world where the poet has found new inroads to connectedness. Rectenwald manages to embrace and resist his subjects all at once-his authority is relinquished and, as such, the poems are invitations to the readers. He speaks not for us or to us, but with us: The lone tree quotes the aesthetic of/all trees so all trees/don t have to be trees. The strength of these poems is not in the breach of contract with the world, but the breach in confidence and authority. a leap into humility and the unknown. These poems will connect you to a world you think you already know. - Rob Fitterman, author of twelve books of poetry, including *Rob The Plagiarist*, and *Now We Are Friends*. The speaker of Michael Rectenwald s *Split Personalities* says, we sting to survive. Another turns Togetherness into a Lennonesque walrus of self-doubt. And in *My Son Signals*, the speaker concludes, The world s nothing but/one gesturing after/another. In *Breach*, his new collection of poems, Michael Rectenwald stings, doubts, gestures. His forms range from the metered-and-rhymed, to the prose poem. His music ranges from post-doc analytics to morning after confessionals. The poems are surreal, hyperreal, they posit debtors in space, and wind up landing in Topeka, Kansas. It s a wild ride. Exhaustion and promise coexist in the same line: It seems like the autumn of my youth. Wisdom pours forth from children: Look Daddy . the future is MOVING. Yes, it is. And so is *Breach*. - Tim Tomlinson, co-author of the *Portable MFA*; co-founder, New York Writers Workshop.
