Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

5m Publishing. Paperback. Book Condition: new. BRAND NEW, Know Your Buses, James Race, Every day in all corners of Great Britain, buses can be found transporting the public for local and long distance journeys as well as sightseeing and school transport. In this book, James Race shows 44 models. He selects those which are the most popular among bus operators as well as a few of the models less commonly seen. They are all currently licensed for public use today. Interestingly, many of the bus chassis are built in different countries from the bodywork which accompanies them. This is shown with the description for each bus. James' concise but informative texts are designed to give a general overview of the subject for the novice enthusiast.
