WINDOWS XP PRO: THE MISSING MANUAL (2ND REVISED EDITION)

DOWNLOAD PDF

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Windows XP Pro: The Missing Manual (2nd Revised edition), David Pogue, Craig Zacker, Linda Zacker, With the release of Windows XP Service Pack 2 (SP2), Microsoft latest and most reliable corporate desktop operating system now provides better protection against viruses, worms, and malicious hackers. SP2 includes Windows Firewall, Pop-up Blocker for Internet Explorer, and the new Windows Security Center. But it still comes without a single page of printed instructions. This superbly written guide fills the gap. Coauthored by David Pogue, New York Times technology columnist and Missing Manuals creator, Windows XP Pro: The Missing Manual uses wit, technical insight, and scrupulous objectivity to light the way for first-time and intermediate network and standalone PC users. In fact, this jargon-free book explains XP's features so clearly revealing which work well and which don't that it should have been in the box in the first place. The book reveals which features work well and which don't, such as the Remote Desktop software that enables people to connect to the office from home, the encryption file system that protects sensitive information, and the Windows Messenger that enables real-time text, voice and video communication. Contents include: *Getting started. The book's early chapters cover using menus, finding lost files, reducing window clutter, and taming the new, multi-column Start menu. *Mastering the network. Special chapters help you navigate the corporate network, dial in from the road, and even set up your own small-office (peer-to-peer) network, step by step. *Understanding security. User accounts, file encryption, and the NTFS file system keep your private files private, while still offering network access to coworkers you specify. *Flying the Net. This book demystifies Outlook Express 6 for email, Internet Explorer 6 for Web browsing, and the new Windows Messenger...
