Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

Chronicle Books, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: De Haven's Derby Dugan trilogy Funny Papers , 1988; Derby Dugan's Depression Funnies 1996; Dugan under Ground , 2001 presaged Michael Chabon's Amazing Adventures of Kavalier and Clay (2000) and outdid it by encompassing the history of comics from early newspaper strips to the undergrounds of the sixties. De Haven now undertakes an authorized re-imagining of the early years of Superman. De Haven convincingly and touchingly depicts the young Clark Kent's apprehensions and insecurities as he comes to terms with his extraordinary abilities in 1930s rural Kansas. Concurrently, he tracks Lois Lane's beginnings in journalism and the plotting for power of New York City political boss Lex Luthor (no "Metropolis" masquerade here). While hewing to the basic outline of the venerable Superman mythos his intergalactic background, his straight-arrow upbringing in Smallville, and his blue-and-red costume De Haven finds ways to make even its more outlandish elements work. If it doesn't quite transcend its origins, De Haven's novel shows that, nearly 70 years after his creation, the Man of Steel still has plenty to offer. - Booklist A focus on Clark Kent's high school years only makes comparison to the popular WB show Smallville all the more inevitable and intentional. De Haven, whose Derby Dugan trilogy beautifully re-imagined 20th-century American history through a pleasant sheen of media-tized irony, presents the Man of Steel as a sullen Depression-era teen, a bad WWII-era reporter and as ambivalent about his super powers throughout, all with a kind of knowing that reflects a deep immersion in pulp. De Haven drives his coming-of-age tale toward Superman's first showdown with Lex Luthor and his robot "Lexbots" in the middle of (the real!) New York City prompted, of course, by the...
