Createspace, United States, 2012. Paperback. Book Condition: New. 249 x 36 mm. Language: English . Brand New Book. Caraboose is a funny creature who takes over for the tooth fairies when they go on vacation: They pack up their bags and fly straight to Cancun or Aruba or Brussels or even the moon. Caraboose says: You have to believe in the fairy tooth moose while shaking and wiggling your tooth til it s loose, then carry it home in your pocket from school, keep it in there while watching TV as a rule. He has lots of other advice, and promises to give the teeth to the fairies for their brew so the magic will float back to you. Great for parents, teachers, and librarians to read to very young readers and fun for older children to read on their own. The brightly illustrated poem wil light up every dental office, too.
