Four years ago, I was a straight-A student and a junior var-sity tennis player. Just a few months ago I was living on the streets and physically sick from my drug use. When I snorted heroin for the first time, I didnt know it was heroin. I thought it was speed. As soon as I snorted it, I knew something wasnt right. First, I felt scared, but then I let the feel-ing take over and I began to like it. Once I realized I liked it, I continued to use heroin and speed even when I was in school. I would use it before geometry class and even tennis practice. Some-times, the drugs would make me so sick that I would throw up mid-court right during a game. I was also using drugs...
