Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

NIGHT

[DOWNLOAD](#)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Night, Elie Wiesel, Marion Wiesel, Elie Wiesel's harrowing first-hand account of the atrocities committed during the Holocaust, "Night" is translated by Marion Wiesel with a preface by Elie Wiesel in "Penguin Modern Classics". Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, "Night" is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. Elie Wiesel (b. 1928) was fifteen years old when he and his family were deported by the Nazis to Auschwitz. After the war, Wiesel studied in Paris and later became a journalist. During an interview with the distinguished French writer, Francois Mauriac, he was persuaded to write about his experiences in the death camps. The result was his internationally acclaimed memoir, "La Nuit" or "Night", which has since been translated into more than thirty languages. If you enjoyed "Night", you might also like Primo Levi's "The Periodic Table", also available in "Penguin Modern Classics". "A slim volume of terrifying power". ("The New York Times"). "To the best of my knowledge no one has left behind him so moving a record". (Alfred Kazin). "Wiesel has taken his own anguish and imaginatively metamorphosed it into art". (Curt Leviant, "Saturday Review").
