For Enid Blyton, Old Thatch was a wonderful place to write stories in. From her 400 year old home to the surrounding Thames Valley, where she set her most celebrated mystery series, this book is a gateway to some captivating places. Along river pathways and leafy lanes, around stately manors, snow-covered churches and country pubs, its journey will delight Enid Blyton at Old Thatch is NOT another analysis of why her books still sell in their millions. Nor is it a politically-correct critique of golliwogs and the supposedly hidden lives of Noddy and Big Ears. This book is a celebration of place, of a beautiful village along the banks of the Thames 40 miles west of London, where Enid Blyton lived in a 400 year-old thatched house called Old Thatch . Step back in time with Enid s daughter, Gillian Baverstock, to a childhood she remembered fondly. Old Thatch is now open to the public in spring and summer and its owners, Jacky and David Hawthorne have one of the best award-winning gardens in Britain. Enid Blyton also set one of her most exciting children s series, the Mystery stories, in the village and surrounding areas such as Marlow, Taplow and the ancient woodland, Burnham Beeches. Enid Blyton at Old Thatch is about escapism with a touch of history and fantasy. It is also a great travel guide to one of England s most green and pleasant landscapes. Enjoy it - life is too short to be serious all the time! It looks like a fairytale house, bit it is real and wonderful. Old Thatch experiences the best of...
