Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Rainbow Creed: A Story of the Times Why do ye speak, O writer bold, so lightly of sacred things? Please read the book, and if you find therein unseemly mirth, burn it, lest another suffer harm. Vice puts a fool s hat on Superstition s head, and Religion herself invites us to deride the follies of the day, even as in olden time she made Elijah laugh at the priests of Baal. It is true the latter are no more, but those of Mammon now are at the altars, and it might be well to mine their temples. There is a dearth of soul: and of love we feel a woful lack. We long for a prophet to bring their subtile influence, not from the fountains of the skies, but from those that have their source within. Who can escape the evils of the day?
