*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Cengage Learning, Inc, United States, 2012. Paperback. Book Condition: New. Jennifer Bell (illustrator). 188 x 137 mm. Language: English . Brand New Book. Meet Stella Batts. She is eight-years old and she loves to write. She loves to write lists; like her favorite things and kids in her class. And she s writing her autobiography (That means it s all about me). Stella s favorite color is yellow and she LOVES fudge. As a matter of fact, there is a special fudge counter at her family s candy store because fudge is one of her favorite things to eat! But Stella has just one problem----her name. A boy from her class keeps calling her SMELLA after she trips on their class nature walk (I don t even want to say what I landed in, it was too gross, so I m going to leave out that part). So Stella decides there s really only one thing to do: she has to change her name. After all, how hard can it be to pick a new name? But it s not as easy as it sounds. In this early chapter book series, the ups and downs of Stella s life are charmingly chronicled.
