You ve come to huff and puff and try to blow my house down. No, no, no, contended Wolf. I am much fitter now than I used to be so you won t hear any huffing and puffing from me. No, I just wanted to invite you to. The story of the Three Little Digs centers around three very obnoxious and arrogant pigs and an extremely gracious neighborhood watch group coordinator called Wolf. Each of Wolf s separate encounters with the three members of the Pig family tests his capacity to be diplomatic and well-mannered. When the pigs find themselves faced with a life-threatening trial, Wolf finds an opportunity to teach them all a lesson they won t forget! In a deftly woven fictitious story Glen Sharkey focuses on the universal goal of communication-to give and take influence in a respectful manner. This tale provides a useful and fun tool for those in the workplace wanting to enhance their communication skills.
