Brand New Book ***** Print on Demand *****. 94 Days in The NICU is a memoir written by a single mother of micro preemie twin babies born at 26.4 weeks of gestation. Although the book is primarily written as a guide for parents of premature and sick babies who end up in the Neonatal Intensive Care Unit (NICU) after birth-it also conveys a message of peace, hope and, ways to find serenity during their uncertain NICU journey. Angela s inspirational message is bound to lift your spirit and motivate you to keep going. The book is packed with useful suggestions, ideas, QA and advices. When Angela Mutavi found out that she was pregnant at the age of 48, she was overwhelmed with immeasurable joy and happiness for the first time in her life. A few months in to the pregnancy, Angela received some incredibly disturbing and painful news that would change the course of her life forever. In this book, Angela tells her amazing story of how she and her twin babies made it through during the 94 days that the twins spent in the...
