Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Excerpt: . . . work out a Homoeopathic equatiou on the purely scientific ground of drug physiology or provings as did Hahnemann, as it was impossible for the farmers iu the time of Hahnemann to use the steam plough, i. e. , it was not there to be used. I have long maintained that orgauopathy is elementary Homoeopathy--that in the very nature of things, Homoeopathy necessarily includes organopathy. Paracelsus was an organopath, being the founder of organopathy. I think it most likely that he picked up its elements and its elementary principles on his travels, applied them in practice, and having made cures that have rarely been equaled, he systematized it. Personally I acknowledge my great indebtedness to Paracelsus (largely through Rademacher), with all gratitude. I am constantly and increasingly impressed with the importance of ascertaining the exact primary seat of any localized malady, and I have been driven to this by certain of my failures in purely symptomatic treatment. To really and radically heal a disease, one must often dig down and find out where the fons et origo mali is, and to this end Paracelsic organ-testing is of the very greatest service; indeed it often leads to the most important clinical discovery. And what may the most important clinical discovery be. That which nee dexlrorsum nee sinistrorsum leads straight to the goal of every true physician--mastery over disease, i. e. , its direct art-cure. This seems to us like sound doctrine. At the same time we...
