Lulu Press Inc, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The mannequins are here again. I can feel them throbbing in my ears. They re standing around in the kitchen, impassive as stone. But inside they re laughing. I m not getting out of bed for them, not this time. In the Dark Room is a surreal novella written and illustrated by James Knight, author of Head Traumas. The story is narrated by a bedridden man who finds himself besieged by memories, fantasies and the mannequins at the bottom of the stairs. Knight s combination of words and pictures invites us into a strange yet familiar world, governed by the logic of a dream.
