Chronicles of the Reapers Mongrel is a sequel to Chronicles of Anton, a Vampire. In this second part of the story, you will find a more fantastic and more adventurer view of the novel. A novel full with ACTION, ADVENTURE, FANTASTICAL AND MYTHOLOGICAL CREATURES THAT WILL CHALLENGE YOUR IMAGINATION. IT IS AN EPIC NOVEL. . Anton stood still and waited to see if the creature heard him, but the crying, the laments and wails of the tormented souls was so high and perturbing, that nothing else could be heard all around. The enormous Rhinotaurus was about thirteen feet tall; it was somehow a hybrid mix of a Minotaur with a rhinoceros; it had two great horns in its head and one right in the middle of its face above his mouth; he must have weighted around six hundred pounds. In his right hand, he was grabbing a double axe as big as Anton was, and in his left arm, he had a big round key chain full of keys that measured about twelve inches each. His body was so big it almost covered the cavern s entire hole that was behind him, which had a huge steel door in front of it. Anton was just about six feet high and he did not weight more than one hundred and seventy five pounds. Anton s long black hair was covering his pale white face, and his long black overcoat covered almost his entire body, so he blended well into the caves darkness. Anton was mentally exhausted, that is all he could be. The Rhinotaurus was still not aware of Anton s presence behind the giant rock. Anton was...
