For the furtherance of this purpose the Foundation conducts inquiries into wages and the cost of living, methods of preventing and diminishing unemployment, measures affecting the health and well-being of workers, public and private agencies for the relief of destitution, and kindred matters. The results of its principal researches are published in pamphlet or book form; it also issues occasional notes on questions of the day under the heading of Memoranda on Problems of Poverty. In addition to these methods of publishing information, the Officers of the Foundation will, as far as is in their power, send replies to individual inquiries relating to questions of poverty and destitution, their causes, prevention and relief, whether at home or abroad. Such inquiries should be addressed to the Secretary of the Ratan Tata Foundation, School of Economics, Clare Market, Kingsway, W.C.
